

Believing In God & His Providence
Luke 8:40-56

Providence is God's control & care in all matters.

Notes:

1. God's providence reveals that He governs the world with the utmost purpose & wisdom.
2. God's providence proves only He is worthy of reverence & praise.
3. God's providence toward His people comes from a Father's heart.
4. God's providence promotes confidence & security in His people.
5. God's providence promotes submission & true prayer in His people.
